Federal Scout Readiness Centers Construction

FY2002 Request: \$1,700,000
Reference No: 6913

Specific Spending Detail:

Design will be done by an A/E firm. Work will be bid out and construction materials purchased and assembled by three separate construction contractors per year.

Project Benefits:

Provides higher state of readiness to respond to Local and National emergencies and mission requirements. Reduces operating costs as new readiness centers are more energy efficient and require less maintenance. Economically, these projects provide economic activity when materials are purchased and construction labor is utilized.
